SUBMISSION OF COMMUNICATION REGARDING
OFFICE ACTION IN CORRESPONDING FOREIGN APPLICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants are submitting herewith a communication regarding an Office Action issued in connection with an application in Venezuela corresponding to the present U.S. application. There are four references, D1 to D4, cited in this communication. All of these references are cited in Applicant's IDS filed June 22, 2001 in the present application. As apparent from the Examiner-initialed PTO-1449 form attached to the Office Action of February 21, 2003, the Examiner has already considered these references.

Respectfully submitted,

Unni OLSBYE et al.

OFFICIAL ACTION PENDING
Deadline: February 5th, 2004
Extension: April 7th, 2004

Dear Sirs:

In connection with the captioned matter, please be informed that the PTO issued an Official Action published in Official Bulletin No. 459.

The basis for the examiner objections is as follows:

- 1) The following documents are relevant for the examination of the present case. Accordingly, a copy of the same must be provided in response to the official action.
 - D1) US 5518704
 - D2) EP 0475357
 - D3) WO 9414700
 - D4) WO 9915459.
- 2) Also, the examiner based on article 46 of Andean Decision 486, requires the Applicant to present any of the following documents related to one or more foreign equivalent patent application of the present case:
 - a) copies of the findings of the examinations of the novelty or patentability of the invention conducted with respect to the foreign application **WO 0098892** (the Venezuelan PTO may accept the results of the examinations as sufficient to certify that the conditions for the invention's patentability have been fulfilled);
